**MEMORANDUM FOR: Mr. Helms**

This is to remind you that you wish to announce at the morning meeting on Friday if you plan to call a meeting sometime next week to discuss the coordination of R&D matters. You wanted to meet with those in direct charge of the R&D programs in the separate Directorates but invite the Deputies to attend if they care to do so. I suggest that you might at the same time set the time and place for the meeting.

In this connection, I am attaching a brief memorandum from John Clarke which lends support to the idea of a coordinated R&D program.
